**St. Luke's  
Early  
Learning  
Center**

**A Christian Center**

And he took them in his arms and  
blessed them, laying his hands on  
them ~Mark 10:16

## Curriculum

Our curriculum gives children:

- ✚ A healthy self-concept by having the freedom to make responsible choices
- ✚ Activities for developing learning skills, physical coordination, and social abilities
- ✚ Creative and intellectual development
- ✚ Christian principles to apply to daily life
- ✚ Kindergarten readiness skills

## About Us

The mission at St. Luke's Early Learning Center is to provide a foundation of Christian knowledge and skills within a nurturing environment that promote development and self confidence, encourages love of learning, and celebrate the uniqueness of each person and God's creations. At St. Luke's, classroom rules will be simple and create a structure that is the basis for learning. An essential part of education is enabling a child to develop self-control and self-discipline. We encourage our children to use their words to talk about their feelings, and to make responsible choices.

Riley County and the State of Kansas licensing requirements are met by St. Luke's Center and staff. Both morning and afternoon class sessions are provided a healthy snack by the preschool, which can also be provided by the parents. Parents do provide a sack lunch for the full time students. Parents and grandparents are always welcome to visit the classroom and assist with arts and crafts, field trips, and other activities. Our family oriented program encourages family members to share their time and talents within the classroom. The congregation, parents, and teachers working together greatly enhance the program.
